**Re: Del-Ko-Brydge Canada Day Event 2026**

Dear Sir or Madam,

**We are excited to announce plans are underway for a Canada Day Celebration for 2026!**

I am writing to you on behalf of the 2026 Canada Day Committee asking you for your support of the upcoming Canada Day Celebration. We look forward to celebrating this special day with you and the surrounding community. **This is our 44th year of this memorable community event and it will be held in Mount Brydges on July 1<sup>st</sup> 2026**

No one can deny that our communities of Delaware, Komoka and Mount Brydges have forged a unique partnership and identity. This event gives the three communities the opportunity to demonstrate our co-operation at our annual Canada Day Celebration. Thousands participate in the **FREE festivities** each year such as: early morning pancake breakfast, a community parade at 11am and at twilight we have an amazing firework display. Every activity is free to the community including breakfast. We are completely community and donation funded. To keep this day free for everyone **we need your support.**

Canada Day 2025 in Delaware was a huge success. Our estimated preliminary budget for 2026 will exceed \$19000. **Your donation** will help make this event a great success for our three communities. We welcome and appreciate any size donation your organization or family can provide.

Your donation will be recognized publicly to thank you for your community support through our print advertising distributed widely though out our communities as well as on our Facebook Page and Website. **In order to ensure your donation is published in the Canada Day Program we need to receive donations by May 1st, 2026.** Please make cheques payable to “**Del-Ko-Brydge Canada Day**” and forward to:
